ELDERCARE Travel Club

Did you know that 3 million tulips bloom throughout Ottawa during the Tulip Festival each year?

In 1945 Princess Juliana of the Netherlands presented 100,000 tulip bulbs to our nation's capital in appreciation of the safe haven given to the exiled Royal Family during the Second World War. This gesture formally recognized the role our Canadian Troops played in the liberation of the Netherlands.

The 1st Canadian Tulip Festival was held in 1953. Now over

600,000 people from across North America, Europe and Asia visit the Canadian Tulip Festival each year.

We invite you to join us as we travel to our nation's capital to celebrate spring in full bloom!

Our ELDERCARE Travel Club excursions are fully escorted tours designed to enable you to explore new places and experience old ones afresh!
